## American Omni Crop Online Producer Consent Form

---

I hereby consent to enter, submit and digitally sign documents using the Online Producer web site provided by American Omni Crop, LLC ('the Company'). I understand that any and all documents that are submitted electronically shall be in lieu of paper documents and that my consent and digital signature super cede any legal requirement for written documentation per Section 101(a) of the Electronic Signatures in Global and National Commerce Act ('E-SIGN').

This consent is limited to the submission of any and all documents and data related to my participation in the Federal Crop Insurance Corporation (FCIC) Multiple Peril Crop Insurance (MPCI) program.

### DISCLOSURE

Consenting to the electronic submission of documents through the Online Producer web site is not required for participation in the MPCI program with the Company.

The Company will not use any data submitted through the Online Producer web site for purposes other than my participation in the MPCI program. Only authorized employees of the Company will have access to any data that I submit.

I may request at any time from the Company a paper record of all electronically submitted data. This request may be made using the Online Producer web site or by contacting the Company via phone or postal mail. The paper record will be sent by postal mail free of charge to the address of my choosing within 5 business days of the receipt of my request.

At any time I may withdraw this consent by notifying the Company of my wishes to do so without fee or penalty. This notification may be provided using the Online Producer web site or via postal mail or phone. My withdrawal of consent will in no way effect the status of my MPCI policy(ies) with the company nor my ability to submit written paperwork related to those policies.

A computer with an Internet connection and web browsing software is required to access the Online Producer web site and submit documents electronically and digital storage media is required to retain the electronic records of submitted documents. All electronic records will be in Adobe Portable Document Format (PDF), software that can view this format is required and freely available. The Company is not responsible for any costs or fees related to the hardware or software required to access the Online Producer web site.
